MADNESS GRIPS EUROPE

Lawyer Glumps London And Says
He Thinks Hell Preferable

Atlantic City, N. J., June 30.—
"The President's mission to Europe
has been a dismal failure," declared
Omer F. Harshey, at the close of the
Bar Association here Saturday night.
Hershey is the law partner of Rob-
ert Crain, the man who brought to
Baltimore the convention which nomi-
nated Wilson for President in 1912.

Just returned from a trip abroad,
Hershey draws a gloomy picture of
conditions on the Continent. He said
an epidemic of madness is sweeping
over Europe, with distant mutterings
of labor troubles, and the populace
of the nations which suffered most
cruelly in the war inclined to rebel
against law and order.

"I would not judge a nation from
a few hundred thousand low women
on the streets," continued Hershey.
"I have never been to Sedom and Gom-
morah, nor to ancient Babylon, either,
but I have been to London, and if
Shelly was right in describing that
capital as a place 'much like hell,' I
believe I prefer hell."

"From all capitals of Europe comes
the same story. Money and morals
have lost their ancient values; every-
one is jazzing—jazz shirts, jazz think-
ing, jazz dancing, jazz morals, jazz
politics."

"At the French races, crowded as
never before, fashions latest decree
was for women to go stockingless
in naturalibus and stockings are al-
ready about the only raiment high
fashion has left the dear Parisienne."

GRANTED \$8 A DAY

Hodcarriers Win Demand For Raise;

Threatened Strike Averted.

Chicago, June 30.—Danger of a gen-
eral strike in Chicago apparently was
averted when Simon O'Donnell, head
of the Building Trades' Council, an-
nounced that an \$8 a day wage had
been granted the Hod Carriers and
Building Laborers' Union.

Employers also had agreed to re-
open contracts to fix a new wage. In
all 10,000 men were affected, he said.

EARTHQUAKE SHOCKS IN ITALY

Seventeen or Eighteen Hun-
dred Persons May Have
Been Killed

15 SHOCKS ARE HEARD

One Quarter of the City of Florence
Said to Have Been Leveled by the
Seismic Disturbance.

Florence, Italy, June 30.—A severe
earthquake rocked Florence and the
surrounding country yesterday.

Fifteen distinct shocks were felt
lasting from 5 o'clock in the morn-
ing until 6 o'clock at night. The
old quarter of the town has been
reduced to ruins.

The first estimates place the
number of dead at between 1,700
and 1,800.

Trains are bringing assistance and
relief supplies from Bologna, Pru-
gia, and surrounding cities.

The earthquake carried on its
work of destruction throughout Tus-
cany. At Bengo San Lorenzo, fif-
teen miles from here, a church col-
lapsed and went tumbling down the
side of a mountain.

The railway station at Rufina and
a number of houses were destroyed.
The whole region of Mugello has
been shaken by the earthquake, but
telegraphic communication has been
interrupted, and it is impossible to
obtain any accurate information re-
garding loss of life or property.

About one quarter of the city of
Florence, which has a population of
more than 200,000, lives in the old
quarter of the town on the west
bank of the River Arno, which is re-
ported to have been leveled by the
earthquake.

WILKINS HANGS SELF

Cut Down Alive by His Guards, but
Dies Soon Afterwards

Minneapolis, N. Y., June 30.—Walter
Keene Wilkins, convicted of first
murder and awaiting the death sen-
tence, which was to have been pro-
nounced on Tuesday, committed sui-
cide in the jail here by hanging.

The aged physician, who was con-
victed by the jury Friday afternoon
obtained a rope in some manner
and probably concealed it beneath
his clothing before asking his guards
to escort him to the bathroom.
There, while the backs of Guards
John Mills and William Heiderson
were turned, he fastened a crude
noose, threw it about his neck, fast-
ened the end of the rope to a pipe,
kicked away the pail upon which he
stood, and was swinging when the
guards discovered him.

The noise made by the pail at-
tracted their attention. Mills and
Heiderson immediately cut down
the swaying body and found the
pulse still beating. They applied
first aid, at the same time calling
loudly for help. Other guards came
hurriedly and Dr. Guy Cleghorn,
the jail physician, was on the scene
within a few minutes. He directed
that other physicians be summoned
from Nassau Hospital, but a short
distance away, and requested to
fetch a pulmotor.

It was 7:45 o'clock when Dr. Wil-
kins kicked the pail from under him.
Less than ten minutes later the pul-
motor was being used, but with lit-
tle appreciable effect.

A bulletin issued by the doctors
as they worked over him at 8 o'clock
said there was little hope. He died
a few minutes afterward.

Every possible precaution was be-
lieved to have been taken to prevent
the very thing which took place.
Dr. Wilkins was too old and infirm
for any apprehension to be enter-
tained that he might attempt to
take his own life, whether or not
his conviction as he claimed, was
unjust, was common belief. It was
thought that if guilty, as the jury
had pronounced him, he would seek
to cheat the electric chair, and that
if innocent, as he vehemently asser-
tained, he would probably seek to
end the endurable humiliation by the
shortest possible means.

ret Service" at the Richmond Theatre

TEN PAY ONE MAN'S FINE

Each Contributes to Penalty for
Striking a Disloyal Talker
Uniontown, Pa., June 30.—Ar-
raigned before Burgess Dillinger on a
charge of disorderly conduct when he
struck a foreigner who had made dis-
loyal remarks, a \$10 fine was imposed
on James Shaffer, but the money was
paid by 10 members of the local Chris-
tian Church, who on their way home
happened to stop in the Burgess' of-
fice. Each of the men plunked \$1
down on the desk of the official and
the case was ended.

Witnesses testified that Shaffer,
who is the son of a civil war veteran,
had cautioned the "loudmouthed" in-
dividual earlier in the evening to
stop his remarks. A few hours later
they met, the foreigner repeated his
statements and Shaffer struck the
blows which caused his arrest.

PROVE EASY VICTORS

Cardinals Win by 18 to 4 Over Ad-
jutant General's Team

Before a large crowd the Cardi-
nal Athletic Club baseball team yester-
day defeated the Adjutant Gen-
eral's Office nine on the High School
field by a score of 18 to 4.

Although defeated the "tigers"
played good baseball and are deserv-
ing of praise for their gentlemanly
conduct and clean manner in playing
baseball. Manager Alva L. Blair, is a
true sportsman, and every member of
the Cardinals doff their caps to him
and his team and hope they will come
again.

"Tigers" line up: Hartman, first
base; Lamsch, second base; Robinson,
third base; Callahan, short stop;
Croity, right field; Pettitt, center
field; Roche, left field; Wilson, pitcher.
The Cardinals played an excellent
game and slugged the ball hard.

The pitching of "Pike" Albough
and the catching of "Taddy" Schaffer
were of the big league brand.
Jimmy Quayle was on the mound
for the last three innings and put
them over the plate like a western
cyclone.

Manager Robert E. McDonald gave
all his lads a change in the game, and
all showed class.

Cardinals line up: Schaffer, catcher
Albough and Quayle, pitcher; Drey-
fus, first base; Payne and Risdon, sec-
ond base; Devens third base; Frank
Owens, short stop; Alexander and
Williams, left field; Strunkle, center
field; Jos Owens and Grissom, right
field.

Message: "Pike" Brenner and Louis
Best, umpires.

BODY FOUND IN MORGUE

Runaway Virginia Boy Supposed to
Have Committed Suicide

New York, June 30.—Gordon B.
Woodson, postmaster at Lowesville,
Amherst county, went yesterday to
the Morgue to look for Clint,
the mountaineer boy, for whom he had
been searching New York for many
wearisome days.

Woodson was accompanied by a
policeman whom they viewed the
body thought to be that of "Clint."
The postmaster's search had ended.
It was "Clint." There were no
marks on the body, no indications of
foul play, yet Woodson couldn't sub-
scribe to the police theory that 18-
year old Clinton B. Maddox, son of
Albert and Eliza Maddox, and fine
had deliberately ended his life.

Postmaster Woodson gathered to-
gether the few effects found in
"Clint's" pockets: a jackknife, less
than a dollar in change and a few
papers. Then he returned to the
Hotel Commodore, where since Mon-
day he had been keeping vigil, hop-
ing word would come to him regard-
ing "Clint."

Maddox ran away from his home
on June 10 with a companion, John
S. Cash.

IN MEMORIAM

RATCLIFFE—In sad but loving re-
membrance of our little daughter,
ALICE VIRGINIA RATCLIFFE, who
departed this life five months
ago, January 29, 1919.

Dear is the grave in which she is
laid,
Sweet is the memory which shall
never fade.

Hearts of my life is buried deep
Under the sod where my darling
baby sleeps.

God called her home it was his will,
But in our hearts we love her still.
Her memory is as fresh today,
As in the hour she passed away.
By her Mother and Father.

PEACE RETURNS TO THE WORLD

War Formally Ended as
First of the Signatures is
Affixed

CEREMONY IS PLAIN

China's Seal Not Affixed Because
She Was Not Permitted to File Her
Reservations.

World peace was signed and sealed
in the historic Hall of Mirrors at
Versailles Saturday afternoon, but un-
der circumstances which somewhat
dimmed the expectations of those who
had worked and fought during long
years of war and months of nego-
tiations for its achievement.

The absence of the Chinese dele-
gates, who at the last moment were
unable to reconcile themselves to the
Shantung settlement, and left the
Eastern Empire outside the formal
purview of peace, struck the first
discordant note in the assembly.

A written protest which General
Jan Christian Smuts lodged with his
signature was another disappoint-
ment to the makers of the treaty.

But, bulking larger, was the atti-
tude of Germany and her plenipoten-
tiaries, which left them, as evident
from the official program of the day
and from the expression of Premier
Clemenceau, still outside any formal
reconciliation, and made actual res-
titution to regular relations and in-
tercourse with the Allied nations de-
pendent, not upon the signature of
the "preliminaries of peace" but upon
ratification by the national Assembly.

To M. Clemenceau's stern warning,
in his opening remarks that they
would be expected, and held, to ob-
serve the treaty provisions loyally
gates, through Dr. Daniel von Haim-
hausen, replied after returning to
their hotel, that had they known they
would be treated on a different status
after signing than the Allied rep-
resentatives, as shown by their sepa-
rate exit before the general body of
the conference, they never would have
signed.

The ceremony came to a dramatic
close—in fact, reached its highest dra-
matic pitch with the wild enthu-
siastic reception of President Wilson,
M. Clemenceau and Mr. Lloyd George by
the crowds outside the Palace, who
showered on the great men the most
cordial of greetings.

The message expressed no opinion
as to the authority of the President
when he does raise the ban, to make
his action applicable only to beer
and wine.

Refusal of President Wilson to ac-
cede this time means that the long
arm of the war time law will reach
out quickly at midnight and close
the door of every liquor establish-
ment on American soil.

WILSON LEAVES BREST

Brest, France, July 30.—The Al-
lied and Associated Powers will not ask
for the extradition of the former
Emperor, the Paris correspondent of
the Telegraaf says he learns, but
will ask the Dutch Government in
the name of the League of Nations
to see that Herr-Hohenzollern does
not escape the moral consequences.

It is expected that as a member
of the League, he adds, Holland
will inform the former Emperor
that he must appear before an in-
ternational court or leave the coun-
try. A highly placed French au-
thority on international law told the
correspondent that the proceedings
against the former Emperor would
be on moral grounds and the sen-
tence would be of a moral character
entirely. There is no question of a
death sentence or imprisonment,
the correspondent was told.

It is probable, the correspondent
continues, that the crimes of the
former Emperor against interna-
tional morality in starting the war
and in violating Belgian neutrality
will be condemned severely.

The Hohenzollerns will be declared
"forever deposed" and it will be made
impossible for the former Emperor
to do further harm by assigning
him a place of residence from
which he must not move.

WELCOMES PEACE

Alexandria late Saturday after-
noon celebrated the signing of the
peace treaty by the ringing of the
city hall and fire engine bells.

An order of the ringing of the
bells was given by Mayor Fisher
after he had confirmed the news
from the White House. For ten
minutes the bells let loose to let the
residents know that the treaty for
the world peace had been signed.
Many persons on the streets at first
thought that there was a fire in
progress. They soon, however,
learned differently.

708 Franklin street, was shot in the
leg by an unidentified negro near
the intersection of Gibson and Pine
streets early last Saturday night.
He was taken to the Alexandria
Hospital where he was attended by
Doctor Moore. Watson's assailant
made his escape.

Prohibition Inspector Bricker early
Saturday night arrested Patrick
Gannon, who carried a satchel con-
taining five quarts of whisky. Upon
being arraigned in the Police Court
Gannon said he was given the satchel
by a man at Pennsylvania avenue
and Ninth street, Washington, and
requested to deliver it at a certain
place in this city. He will be held
for the action of the grand jury.

PEACE AT LAST!

Oh! these were hours when thrilling
joy repaid

A long, long course of darkness,
doubts and fears—
The heart's faintness of the hopes
delay'd,

The waste, the woe, the bloodshed,
and the tears,
That rack'd with terror four rolling
years.

For several months the Hall of
Mirrors at Versailles has suggested
reflections. There 48 years ago
William I. was proclaimed German
Emperor, and the North German
Confederation was converted into
the German Empire. There on Sat-
urday the Germans signed the peace
treaty and accepted an enormous
penalty for an appalling crime.

The signing of the treaty not only
ends the greatest of all wars, but it
ends an era.

And now where is the Kaiser?
Where is the Crown Prince? Where
is the German Empire? They are
verifying the declaration made 19
centuries ago that "they that take
the sword shall perish with the
sword."

The war virtually ended last No-
vember, when the Huns, realizing
that they were about to receive a
knockout blow, asked for an armis-
tice. The most humiliating terms
were imposed by the allies, but the
German delegates had been ordered
to sign anything in order to bring
hostilities to a close. They affixed
their signatures, making it apparent
that the final terms would be signed.

Some good people are anticipating
the advent of the Millennium.

We hope they will prove to be ac-
credited prophets. The following

beautiful forecast of the prophet Is-
aiah is printed in some papers to-
day:

"And many nations shall come
and say, Come, let us go up to the
mountain of the Lord and to the
house of the God of Jacob; and He
will teach us of His ways and we
will walk in His paths. And He
shall judge among many people, and
rebuke strong nations afar off; and
they shall beat their swords into
plowshares, and their spears into
pruning hooks; nation shall not lift
up a sword against nation, neither
shall they war any more. But they
shall sit every man under his vine
and under his fig tree; and none
shall make them afraid: for the
mouth of the Lord of hosts hath
spoken it. For all people will walk
every one in the name of his god,
and we will walk in the name of the
Lord our God forever and ever."

May this delightful era, sighed for
by seers and dreamed of by poets
soon dawn upon this storm-tossed
earth.

MUCH-ABUSED POLICEMEN

Many people who should know
better never have a good word to
utter of a policeman. It is so in all
cities, and yet in times of peril their
immediate appearance affords great
relief to the anxious. Nearly every
inconvenience suffered, or troubles
real or imaginary, is put up to the
minions of the law. Relief is de-
manded of on all occasions.

The Washington Herald this
morning tells of a few of the many
requests made of policemen, among
which are the following:

A woman living in the northeast
section called to a policeman early
one morning and asked him to but-
ton her dress in the back. The po-

liceman, being a married man and
not wanting to create a possible
scandal, refused, much to the wom-
an's chagrin.

A woman, living in Georgetown,
demanded that a policeman chase
and capture a canary bird that had
left for parts unknown. Another
woman, who lived near this one,
called upon a cop to prescribe for a
sick parrot.

An aged white man walked up to
a cop on K street southwest, one
day and demanded that he be awak-
ed every morning at 6 o'clock as
his alarm clock was out of order.

The same locality, a woman ask-
ed a cop to sit on her ash can be-
cause stray cats and dogs had a habit
of pushing the lid off and scattering
the contents all over the alley.

Another woman, from whom some
jewelry had been stolen, demanded
that a cop, who had looked and
failed to find it, go to a fortune-tel-
ler to locate the missing articles.

The members of the Alexandria
police force can tell of equally ridi-
culous experiences with certain
people who look upon these public
servants with contempt.

GERMANS FIRE GENERAL

Berlin, June 30.—Gen. von Hoff-
man, who has been in command of

troops in the Brandenburg district,
has been relieved of his post be-
cause of his declaration that he
would not recognize the peace
treaty.

Hoffman also stated he intended
to take immediate action against
the Poles, despite orders of the gov-
ernment.

HOLLWEG OFFERS

TO STAND TRIAL

Berlin, June 30.—Dr. von Beth-
mann-Hollweg, former German
chancellor, yesterday sent an ap-
peal to the allies at Paris asking
that they place him on trial for re-
sponsibility for the world war, in-
stead of the former Kaiser.

"As imperial chancellor, under the
German constitution, I bear the sole
responsibility for the political acts

of the Kaiser while I was in office,"
the appeal said. "I hereby place
myself at the disposal of the allied
and associated powers."

Hollweg expressed a desire on
May 20 to offer himself to the al-
lies but refrained at the request of
the German government.

Widower With Five and Widow With Four Children Return Licenses
Pittsburgh, June 30.—Stanislaw Trenski and Mrs. Mary Danska wrote an unusual chapter into the history of the marriage license office Saturday when they returned a license issued to them last Monday with the explanation that they had decided not to marry each other.
Pressed for particulars Trenski said that Mrs. Danska was a widow with four children and he was the

father of five motherless ones. After the license had been procured he said he and his bride-to-be decided that the union would create too big a "burden" and agreed that each should look for a mate who was childless.

BERLIN STRIKERS DEFIANT

Rail Men Refuse to Obey Union's Order to Return to Work

Berlin, June 30.—The striking railway men in the Berlin district, some 20,000 shop and yard workers, have decided to continue on strike, in spite of the demand of their union that they resume work.

It is officially announced that Government troops are in complete control at Hamburg. No fighting is reported in the city, and it is said that sufficient troops are arriving to insure a sufficient troops are arriving to insure a restoration of normal conditions.

German parliamentary circles, according to the Cologne Gazette, have information that the Government will shortly request an appropriation of a sum reported to be five million marks, to be devoted to forcing down food prices, the high level of which is believed to be at the bottom of the whole social unrest.

On the other hand, according to the same sources, the Government

proposes to proceed uncompromisingly against all attempts to "sabotage" the nation's economic revival through strikes and political agitation.

ALLEGED "BOOZE" RUNNERS

Liquor Valued at \$30,000 Taken in Ohio

Cleveland, June 25.—An all-night vigil by a Government agent and police which ended Saturday morning brought the arrest of 10 alleged prohibition blockade runners coming into Conneaut from Pennsylvania and the capture of beer and whisky worth between \$30,000 and \$35,000 according to estimates of Federal officers.

Twenty-five barrels and one hundred cases of whisky, each case con-

taining a dozen quarts, and 32 cases of beer were being held at Conneaut. If the men are convicted the liquor will be confiscated by the Federal Government.

The men arrested were in each instance charged with violating the Reed act, which prohibits the shipment of liquor into "dry" territory.

Don't**Neglect That Tire**

They simply can't make tires good enough to prevent tread cuts. And a tread cut means trouble. If neglected the result is a "blowout," sooner or later. The sooner you get an injured tire to us the better—but there's no blow out too bad for us to fix—Right.

To Our Patrons

Alexandria, Va., June 2, 1919.

In line with our progressive banking methods, and to meet the demands of our patrons, we are installing on July 1st, an up-to-date Safe Deposit Department, under the personal supervision of one of our officers.

This has been made necessary from the fact that a large number of our depositors owning Liberty Bonds and other securities desire a safe place for their keeping.

It is our plan to enlarge the number of Safe Deposit Boxes, and make a rental charge to meet the operating expenses of this Department. This charge will become effective July 1st, 1919, and a bill will be sent out at that time to the holders of boxes, and if any desire to make any change we will be glad to have them call before the bills are rendered for the ensuing year.
